Begin Drive in Theatres for Christmas Seal Campaign

Four minute men of Ogden will address the theatregoers in the various theatres of the city this evening on the Christmas Seal campaign, which is being staged in Ogden under the direction of the Utah Fublic Health association. The speakers have been assigned to the various theatres and will talk on the need of co-operation in the present drive. The men are under Stuart P. Bobbs. They will also address the theatre folks next Saturday evening. The four minute women of the city will speak in the interest of the campaign next, Thursday evening at the local theatres. Fourteen high school girls offered their services to the committee today and were stationed in various parts of the down town district to zell scals. The booths in the banks department stores and drug stores were reported to be present at 9.45 o'clock Sunday morhing and at 2 o'clock Sunday mor

of the down town district to see sees.

The booths in the banks department stores and drug stores were reported to be doing a heavy business today, according to Miss Gladys Rich, who has charge of the booths.

The young woman selling the most stamps today will receive a large box of candy, according to Secretary G. D. Bennett. Considerable progress is being made in the drive by the Salvation army at the Union depot. Committees will be named next week to canvass the residential district in the interest of the campaign.

Thus far the sale has been more successful than the one staged last year and those in charge are confident that the figures will far exceed those of 1919.
